Welcome to Village People... ...get noticed and grow your business

Six reasons why Village People magazines are the best choice for advertisers:

- Village People magazines are delivered by Royal Mail to 62,000 village homes in Norfolk and Suffolk – that's more than any other magazine in the area – and have a total readership of over 155,000.
- Our thriving, award-winning magazines are the most affordable way to advertise your business, increase your customers and get the best return on your investment.
- We have four magazines, each one covering a different rural area in Norfolk and Suffolk, and we publish six issues per year on a bi-monthly basis. This means you can choose the area you want to reach the widest target audience. Each issue is also available to read online.
- Other magazines just target towns and cities. We know that Norfolk is more than 95% rural, so there is huge potential to find new customers in the 250 villages and surrounding areas we reach.
- Village People is a top-quality read, packed full of interesting lifestyle articles, competitions, recipes, things to do and see and much more. We know our magazines are highly valued, read again and again and kept within easy reach by the bed or on the coffee table – so your advert has a much longer shelf life.
- Our small, friendly team has over 12 years' experience of generating sales for our advertisers – so we know it works and we are here to help you succeed! We are local, independent and offer a non-sense, honest service.

Norfolk is more than **95% rural** so don't miss out on new customers by only targeting urban areas!
